

AIRPORT DEVELOPMENT PLAN

PUBLIC
•
OPEN HOUSE

Open House Details:

A public open house will be held at the South Texas Regional Airport Terminal Building on Thursday, September 7th at 5:00p.m. This open house will be a “**come-and-go**” event held as part of the ongoing Airport Development Plan and will present anticipated needs for the airport over the next 20 years. Airport demand forecasts, anticipated airport facility needs, and development plans will be shown including the vision of the airport. Share your input and learn about the future of the South Texas Regional Airport at Hondo.

WHAT: South Texas Regional Airport at Hondo Development Plan

WHEN: 5:00 - 6:00 p.m. September 7th, 2017

WHERE: Airport Terminal, 700 Vandenberg Road, Hondo, TX

We look forward to your input and thank you for your interest on this important effort.

We need your input!

As a local community member, airport user, or interested party in the City of Hondo, we are soliciting your input and will provide details on the ongoing airport development plan process. Please join us and provide feedback.
