

HONDO U

For the first time ever, the City of Hondo is offering its citizens the chance to learn, serve and be involved with the City through a new program-HONDO U.

Hondo U is a seven week program, beginning October 4, 2018 from 6:00p.m.-8:00p.m., providing an in-depth look at how the City functions. Participants will have the opportunity to observe, ask questions, see equipment/facilities and meet the City Staff responsible for all City operations. Your participation will give you an insider's knowledge of City operations and you will be equipped with the knowledge to assume a leadership role in the community.

Hondo is your home and we want you to know how it works. Participation is limited to twelve qualified applicants, so enroll today for the first Hondo U session this fall.

Applications are available at City Hall, the Hondo Public Library, the Rick Taylor Recreational Facilities, and the Chamber of Commerce.

Applications are due by September 13, 2018 to:

Debbie Krueger

Community Coordinator for Programs and Projects

2003 Ave. K., Hondo TX. 78861 or emailed to dkrueger@hondo-tx.org

Forms may also be found on line at hondo-tx.org

Selected citizens will be notified September 20, 2018.
