As the owner of the subject property described above, or as the authorized representative, I hereby certify that I have read and reviewed this application and affirm that all information provided is true and correct to the best of my knowledge. I understand that this document is an application only and does not serve as a construction permit.

I acknowledge that submission of this application does not guarantee approval or issuance of a permit. If a permit is issued, it will become null and void if the authorized work does not begin within 180 days of the issuance date, or if work is suspended or abandoned for a period of 180 days after commencement.

I further understand that all construction permits require one or more inspections, and that work must not proceed to the next phase until the required inspections have passed. A final inspection and a Certificate of Occupancy are required before any building may be occupied.

I certify that all applicable laws and ordinances governing this type of work will be followed, whether specifically stated or not, and that no work will begin until all required permits have been approved and all associated fees have been paid.
